

Harvest Shanty

<https://www.youtube.com/watch?v=dA1MwiGx4vc>

There once was a harvest festival
To gather food to give to all,
So bring them up, and put them down
They go to the stage, they go!

Beans, cake, some cabbages, ham,
And bring some sugar and tea and spam,
Today, when we've got all we can,
To Muskham Church we'll go.

Rice and corn and beets and cheese,
All you can give will make us pleased
Potatoes, pears, and salt and peas
On to the stage they go!

Beans, cake, some cabbages, ham,
And bring some sugar and tea and spam,
Today, when we've got all we can,
To Muskham Church we'll go.

Self-cleaning products welcome too,
Toothbrush, shower gel and shampoo
Nappies and paper for the loo
To Muskham Church we'll go

Beans, cake, some cabbages, ham,
And bring some sugar and tea and spam,
Today, when we've got all we can,
To Muskham Church we'll go.

The farmers sow, then reap the corn
They start their day first thing at dawn
There's maize and wheat as well as corn
Onto the stage they go!

Beans, cake, some cabbages, ham,
And bring some sugar and tea and spam,

Today, when we've got all we can,
To Muskham Church we'll go.

Beans, cake, some cabbages, ham,
And bring some sugar and tea and spam,
Today, when we've got all we can,
To Muskham Church we'll go.

Cans and tins and packets there are
To help out people not too far
Could be a bottle, could be a jar
To Muskham church we'll go

And bring some sugar and tea and spam,
Today, when we've got all we can,
To Muskham Church we'll go.

Our thanks to you for sharing well
Of your kindness, we will tell
With shop-bought stuff and things that grow
To Muskham church we'll go

Beans, cake, some cabbages, ham,
And bring some sugar and tea and spam,
Today, when we've got all we can,
To Muskham Church we'll go.
