School meal price increase effective from Tuesday 1st April

Dear Parents & Carers,

We have been informed by Nottinghamshire County Council that the price of the school meals will be increasing from the current amount of £2.95 to £3.16 for a two course meal. The increase is required to partially mitigate inflationary factors outside of the Council's control; this includes the rise in Employers National Insurance contributions, increases in food prices, energy and other staffing costs.

This increase will take effect from Tuesday 1st April and this will be reflected on ParentPay for meals purchased from this date.

This will not affect children in Key stage 1 or those that receive free school meals.

Unfortunately, this is a decision we have no control over; however, please accept our apologies for the increase.

Please do not hesitate to get in touch should you have any questions.

Yours sincerely,

Tara Spurr
Business Manager

Headteacher
Mrs A Crossland
