Muskham Primary School Lettings Policy

Introduction

Lettings can be defined as the use of school premises outside of the normal school day, or the use of parts of the premises not otherwise required by the school during the school day. At Muskham Primary School, the Hall, the Multi-Use Games Area (MUGA) and the field may be available for hire by outside bodies at times when not normally required by the school.

Responsibilities

Our School building is a Notts County Council maintained building and is available for letting according to the terms and conditions of this policy. The school is responsible for any lettings.

1. Accommodation

The school can offer the following accommodation for hire:

- Hall
- MUGA
- Field

2. Lettings

Lettings are subject to approval by the Headteacher and Governing Body in the first instance. Upon approval, a Conditions of Hire Agreement will be issued to the hirer, and a Nottinghamshire County Council Application for Use of Premises (CC 110) is completed by Muskham Primary School and signed and retained by the school. Hirers will also be issued with a copy of this policy at the time of application.

The following categories and order of priority are authorised by the Headteacher and Governing Body and are detailed below.

1. Council Lettings – (Inc Gov Services & Parish Council)
2. Use of premises for educational purposes, external to the school day which benefit our children but are charged
3. Community use – for events organised by members of the local community for members of the local community where there is no intention to make a profit for any private individual or company
4. Use of the school field – for example by a training club that charges pupils.
5. Holiday Clubs by prior agreement with HT & Governors

All enquires that do not fit into any category above will be looked at individually

The hire of our school premises is on the strict understanding that any individuals or organisation using them will not carry out any activity which undermines British values.

Should we subsequently become aware that any of our facilities are being used for any extremist activity we will:-

- A) reject/terminate the letting application
- B) alert the appropriate agency should we become aware of any extremist activity

Schools are not permitted to subsidise non-school activities out of their school budget and so school lettings must be self-financing.

See Appendix 1 for charges

The Governing Body reserves the right to adjust the hiring charge:

- To cover any increase in hiring charges which may occur if an application covers a series of lettings over an extended period; and
- To cover an increase in a hiring charge which may occur between the date of the approved application and the date of the actual hiring.
- To cover services provided which are not included in the letting charge

3. Application

All applications must be made on form CC110 (with the exception of Long Term Lettings). The form will be signed by the Headteacher, who will certify that the accommodation is available and the nominated key holder has been notified. A duplicate of the form will be returned to the hirer. An invoice will be issued for payment.

The school will handle all lettings forms including raising invoices to hirers and arranging payment for the nominated key holder.

4. Cancellations

The Headteacher or Governing Body may cancel the hiring without notice if the terms and conditions have been breached, or the buildings, fixtures, fittings, or reputation of the school have been damaged, or if, for whatever reason, it would be potentially dangerous to allow the activity to continue.

In the event of the hirer cancelling the letting the school reserves the right to charge for any services that the school has already incurred, or is due to incur, as part of the letting application.

In the rare event that the school has to cancel through circumstances beyond their control the full charge will be refunded. Another booking (with same criteria) will then be arranged at a mutually convenient time.

5. Damage / Breakages / losses

All damages, breakages and losses must be fully paid for with the school choosing the correct replacements.

The Governing Body / council / school do not take responsibility for any costs, charges, claims and demands for injury, loss of persons or property arising from a letting on the school premises.

8. Hirers responsibility
