28th September 2026

Dear Parents and Carers,

I am writing to let you know about an exciting event we are planning for Friday 6th November: Rock Star Day!

To relaunch Times Table Rock Stars for children in Years 3 to 6, we have organised a fun-filled day focused on developing times table fluency and mathematical confidence. Throughout the day, children will explore different ways to use the app, which can also be accessed from home, and take part in a range of exciting number challenges and activities.

Although our younger children do not yet use the Times Table Rock Stars app, they will still be taking part in the festivities, enjoying lots of fun, rock-themed number games and challenges designed especially for their age group.

As part of the celebrations, we are inviting both children and staff to come to school dressed as rock stars. This could be anything from a famous musician to a homemade rock-star outfit. We encourage creativity, but please do not feel that you need to buy anything new. Children should also ensure that their clothing and footwear remain suitable for a normal school day.

We are looking forward to an enjoyable day of mathematics, music, and fun, and we hope everyone will join in with the celebrations.

Thank you for your continued support.

Kind regards,

Mrs J Palmer
